

Research Ethics Review Streamlining Initiatives

CHEER Webinar

This webinar will explore international efforts to streamline research ethics and regulatory review, including:

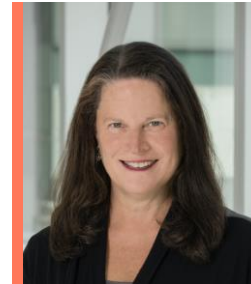

- The European Clinical Trial Regulation (CTR) with Nordic implementation example*
- Pediatric Clinical Research Ethics Review Specifications in Europe (Enpr-EMA)*
- Requirements in the US for single IRB review of multi-site research: SMART IRB as a model solution*
- Working towards a single research ethics review process for multisite child health studies across Canada*
