

## Research helps us:

- ✓ Better understand health and disease.
- ✓ Improve treatments and find new cures!

## But, we need your help!

When families participate in research, **it benefits children** in Canada and beyond.

We **welcome all people** from different cultures, communities, and backgrounds.

# Research: Unlocking Better Care

Consent  
forms  
explain the  
study!

You can **ask questions** to help you decide.

- ✓ You do not give up any **legal rights**.
- ✓ Joining **is voluntary** and you can always **stop participating**.
- ✓ Your **rights to privacy** are protected.
